CURRENT OPPORTUNITY
***** DENTIST *****
Full Time

Type of Practice: Community Health Center providing primary care and enabling services.

Employment Arrangements: Scheduled work week is approximately 40 hours, including about 36 clinical appointment hours each week. No inpatient responsibilities are required. A two-year employment contract with opportunity for renewal is available to the qualified candidate.

Practice Schedule: Monday, Tuesday, Thursday and Friday from 8:00 am to 5 pm; Wednesday clinic operates 8:30 am – 7:00 pm. Some evening rotation is required.

Call Coverage: After hours call coverage is shared on a rotating basis. Our providers historically receive few after-hours calls.

Service Area Size: Service area includes the City of Lorain in Lorain County with approximately 68,000 residents. Located on Lake Erie 30 miles west of Cleveland, Lorain is a manufacturing town with a culturally-diverse population. Lorain County Health & Dentistry (LCH&D) has two sites – the main site is in downtown Lorain where pediatrics, Ob/Gyn and the dental clinic are located. The second, smaller site is dedicated to adult medicine, and is located four miles away in a largely Latino neighborhood.

Practice Environment: The dental clinic is state-of-the-art with electronic records (Dentrix) and digital radiography. Specialists in the community accept LCH&D referrals, some only charging income-based fees.

Salary: Base salary is competitive. Benefits include medical, dental and vision coverage; generous paid time off, life insurance and short and long-term disability; 401k with 100% company match up to 4% after one year, plus CME and membership allowance.

Loan Repayment: Applicant may be eligible for significant state or federal loan repayment. Health Center will provide assistance to eligible applicants. LCH&D has had several physicians and dentists receive either Ohio (ODH) or National Health Service Corp loan repayment assistance.

Experience Required: Two years of general dentistry experience is preferred. A desire to work in a community health center and a strong commitment to improving health outcomes is required. Interpersonal skills that contribute to a productive team are essential. Spanish language skills are a plus.
